

PRIVACY POLICY

Effective on: March, 2026

AXIONIQ LIMITED (“we”, “us”, or “our”) matters the privacy issues, and it is important to us to protect the information provided to us. We want you to understand how we handle your personal information. We also want you to know your rights and choices. This Privacy Policy describes how we handle your personal information when you use the Easy Clean: Files & Privacy (“App” or “Service”) so please read it carefully before you use any Service or the App.

A. INFORMATION WE COLLECT

We require the following types of information in order to deliver our Service to you:

- your name and email address.
- your IP addresses.
- device information includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.
- activity Information directly related to your use of the App, includes contact list and or photos.
- usage data includes the pages of our App you visit, the time and date of your visit, the time spent on those pages, unique device identifiers another diagnostic data.

B. WHY WE PROCESSING YOUR INFORMAION

This section describes the purposes of our processing:

- To operate, provide, and support our Services.
- For troubleshooting, diagnostics and debugging.
- To test out and experiment with new features to see if they work as

expected.

- To improve, develop, and provide the App and Services.
- To respond to your inquiries, requests, suggestions or complaints.
- To analyze data on your use of the App and help us make business and marketing decisions.
- For auditing, legal or regulatory purposes.

C. HOW WE SHARE INFORMATION

We may disclose or share the information we gather for the purposes listed above with the following third parties:

- Within our company group or our affiliates.
- Our service providers to carry out certain tasks, including to maintain technology and related infrastructure and manage and analyze research.
- if we believe it would be necessary to comply with the law or with legal process, protect against misuse or unauthorized use of the App, protect and defend our rights and property or if the law requires us to do so.

D. WHAT ARE YOUR RIGHTS AND CHOICES

In some jurisdictions, you may exercise the following choices:

- Access, modify or delete the personal information we have about you
- Be informed of or receive an electronic copy of the personal information we have about you, for data portability.
- Restrict, or object to, how we process personal information about you.
- Withdraw your consent at any time.

E. HOW WE PROTECT INFORMATION

We protect your personal information with appropriate organizational, technological and physical safeguards:

- We protect your personal information with encryption during transmission over the public Internet.
- We encrypt your personal information when it is stored at rest.

- We use reasonable organizational and technical safeguards designed to help protect the privacy and security of your personal information.

F. HOW LONG WE RETAIN INFORMATION

We store your personal information for as long as needed, or permitted, based on the reason why we obtained it (consistent with applicable law). This means we might retain your personal information even after you have stopped using our App or Service. We might delete or de-identify or mask it by removing certain identifying details.

G. HOW ABOUT CHILDREN

The App is intended for a general audience and are not directed at children under (13) years of age. We do not knowingly gather personal information in a manner not permitted by laws. If you are a parent or guardian and you believe we have collected information from your child in a manner not permitted by law, contact us. We will remove the data to the extent required by applicable laws.

H. WHAT ABOUT THIRD-PARTY SERVICES

Our Service contain links to third-party websites, resources and vendors. These third parties are not our Services. We do not control (and are not responsible for) third party content or privacy practices. These third parties may independently collect and solicit information about you and affect your data preferences when you access our Services on third-party digital properties. Any personal information you provide to them is not covered by this Privacy Policy. These third parties have their own policies and practices about data and which may include what information they share with us, your rights and choices on their services and devices. We encourage you to familiarize yourself with third-party privacy policies and terms of use.
